DECLARATION OF IDAN MEGIDISH

1. My name is Idan Megidish. I am over the age of twenty-one (21) years, of sound mind, and capable of making the statements set forth in this Declaration. I am competent to testify about the matters set forth herein. All the facts and statements contained herein are within my personal knowledge and they are, in all things, true and correct.

2. I am currently the General Manager for the Haifa office of Lightricks Ltd., located at 1 Andrei Sakharov St, Matam Park, Haifa, Israel, 3508409. In my capacity as General Manager, I am responsible for managing—and thus I possess direct and personal knowledge regarding—various matters in Lightricks's Haifa office, including the receipt and handling of correspondence delivered to the office.

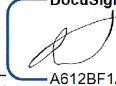

3. During December 2021 and January 2022 I was in charge of the Haifa office as part of my role in Lightricks' Operations department. During this time the Haifa office was located at 9 Andrei Sakharov St, Building 22, Matam Park, Haifa, Israel, 3508409. At all times, any correspondence delivered personally or by mail to Lightricks's Haifa office is personally received or has to be reviewed by me. If a correspondence requires signed proof of delivery I will provide the requisite signature, unless I am away from the office, in which case I will have to have review it. Pursuant to Lightricks's policies, any received correspondence is opened and, if it pertains to a legal matter, is forwarded to Lightricks's legal team, including Lightricks's General Counsel, Noa Rosenberg-Segalovitz. Lightricks has an internal

email address to which any delivered legal documents—after being scanned—can be sent so that the legal team can receive them.

4. I have been asked whether a correspondence that was from Israel's Courts Administration and/or contained EX2001 in IPR2023-00153 and IPR2023-00154 was delivered to Lightricks's Haifa office on December 23, 2021. To my knowledge, no such correspondence was delivered to Lightricks's Haifa office in the time period between November 24, 2021 and January 21, 2022. If I had received a correspondence containing EX2001, which appears to pertain to a legal matter, pursuant to Lightricks's policies I would have forwarded the correspondence to Lightricks's legal team, including Noa Rosenberg-Segalovitz.

5. All statements made herein of my own knowledge are true, all statements made herein on information and belief are believed to be true, and these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001.
