SEC Exhibit 1050.007
IPR2023-00220

1 Q. All right. You took my next question out of my
2 mouth. I was going to ask you, how were the displays for
3 Outdoor Promotions meant to be cooled?

4 A. Well, per Gary Young's decree, just due to
5 schedule pressures, he wanted to go with the Vertigo
6 air-conditioner.

7 Q. What was the result of this project, in terms of
8 the work between MRI and Vertigo on behalf of Outdoor
9 Promotions? Meaning, was it successful?

10 A. I would say, in general, no. I guess as a
11 result of Gary's conversation with Vertigo, we set a
12 meeting date in Atlanta at our facility on December 19th,
13 2008. We executed a mutual nondisclosure agreement at that
14 time. And we began collaborating on how were we going to
15 physically mount the high-bright display inside the Vertigo
16 bus shelter.

17 And originally there was talk about Vertigo
18 providing the cover glass. We were already facilitated to
19 design and fabricate cover glass. The decision was made we
20 would do the cover glass and the display. Vertigo would
21 provide the wedge or the street furniture and the air
22 conditioner unit. And then we worked together to come up
23 with various attachment points, mounting brackets, whatnot,
24 to attach what we provided to what they provided.

25 Q. Mr. Dunn, you mentioned a few terms. And I want

1 page of the document; isn't that correct?

2 A. Yes.

3 Q. And that image is a copy of one of the CAD
4 designs that Mr. Bolton sent to you by way of his March
5 4th, 2008 e-mail, isn't it?

6 A. Yes.

7 Q. And, in fact, here, though, it's labeled MRI
8 proprietary information; isn't that correct?

9 A. Yes.

10 Q. Mr. Dunn, you testified on direct that you
11 participated in -- I think the term of art sometimes is
12 teardowns of Samsung products. Did I understand your
13 testimony correctly?

14 A. Per se, I had very little involvement.

15 Q. You just sort of popped in and out I'm told; is
16 that correct?

17 A. That's correct.

18 Q. When did you -- what time frame was that?

19 A. The 85 was many years ago, as was our first pass
20 -- well, I guess our past pass on the 55 -- when I say
21 many, it was probably three, four, five years ago. The 46
22 was probably two, three years ago. And then we -- we the
23 company -- did another teardown of the 55 this calendar
24 year.

25 Q. Thank you.
