Your Honors,

As you may recall, the panel extended the POPR deadline in the above captioned proceedings to April 10, 2023. The parties have agreed to a settlement, but they have encountered some unexpected delays in executing it. We therefore request that the Patent Owner preliminary response (POPR) deadline in IPR2023-00260 and -00308 be extended until April 27, 2023, the same day as the POPR is due in related proceedings IPR2023-00324 and IPR2023-00325. The parties do not anticipate any further extensions and expect to file joint motions to terminate these proceedings well before April 27.

Sincerely,
Nick Matich
