

Exhibit 779.A – Infringement Chart for DraftKings Sportsbook

The following supplemental chart is being produced pursuant to the Scheduling Order (D.I. 25, ¶ 7(c)) and the U.S. District Court for the District of Delaware, *Default Standard for Discovery* § 4 regarding infringement of U.S. Patent No. 11,200,779 (the “’779 patent”). The ’779 Accused Products include, at least: 1) the DraftKings Sportsbook kiosks and/or over the counter betting at partnered casinos, 2) the DraftKings Sportsbook mobile applications accessible via mobile devices, and 3) the DraftKings Sportsbook web applications accessible via computing devices (i.e., wagering input devices).

The ’779 Accused Products have the same functionality in the way they satisfy each and every element of the following claims and there is no functional difference regarding their operation unless specifically noted. In addition, to the extent that users are required to meet the claim elements, DraftKings induces its users to meet the claim limitation because DraftKings provides users with instructions and guidance on how to use the ’779 Accused Products to perform each and every element of the claim. To the extent that any element is met by users, the users operate in a joint enterprise with DraftKings when they use the ’779 Accused Products as directed and required by DraftKings.
