Fixed Odds Single

A TAB Fixed Odds single enables you to take any single bet with a listed TAB proposition (prop) number at a fixed-odds price.

Placing a bet

1. Mark the total amount you want to spend to win or place (note there is a minimum \$1 bet)
2. Mark the TAB proposition (Prop) number that is associated with your bet selection.

Multi

A TAB Sportsbet Multi enables you to effectively "all-up" your investment across sports and fixed odds racing options of your choice (note there is a maximum of three racing legs). The dividend for this product is calculated by multiplying the prices of each selection together. You must get every selection correct for this bet type to return.

A TAB Multi allows you to include a minimum of two and a maximum of twenty different fixed odds sports options in a single all-up bet. For a Multi with more than 10 legs, you will need two tickets.

Placing your bet

1. Mark the total amount you want to spend to win and/or place (note there is a minimum \$1 bet)
2. Mark the "Mark here if you want more than 10 legs" box if you have more than ten legs in your Multi.
3. Mark the TAB Proposition (Prop) number that is associated with your bet selection. Start with the first digit of your Proposition Number in the left column, then continue left to right.
4. Continue to add subsequent TAB (Prop) numbers in other selection boxes to add to your Multi.

Super Multi

A Super Multi allows you to select multiple combinations or "Systems" within the same Multi, giving you more ways to win. The system number is the minimum number of legs that your bets must be successful over to get a return. You can now cross fixed odds racing into sport. Include up to three legs of racing to a maximum of ten different legs. Plus, it's Flexi and will divide your stake equally across all combinations.

A TAB Super Multi allows you to all-up your investment across multiple sport and racing events at an outlay that suits your pocket. In addition to the straight all-up, a Super Multi allows you to select other combinations within your Multi.

Placing your bet

1. Mark the total amount you wish to invest.
2. Mark the system combinations you want to include. The System Number is the number of legs over which your bets must be successful in order to get a return. Multiple System numbers may be selected.
3. Mark the TAB Proposition Number for each leg. Start with the first digit of your Sportsbet Number in the left column, then continue left to right.

SUPER MULTI

A TAB Super Multi allows you to all-up your investment across multiple sport and racing events at an odds that suits your pocket. In addition to the straight all-up, a Super Multi allows you to select other combinations within your Multi.

Placing a Bet

Mark with a line or check post the box.

Mark the total amount you wish to invest.

Mark the system combinations you want to include.
