Ex Parte / Emergency - Motion to Stay Pending Resolution of Related Action — Denied

Stay of Proceedings
└ Factors Considered
└ **Simplification of Issues**

The court denied defendant's emergency motion to stay pending resolution of related action. "Staying the above-captioned case at this juncture is premature. Stays were entered in [two other] cases pending the resolution of venue mandamus petitions related to venue for automotive companies. The records in both of those cases were significantly more developed than the above-captioned case is at present. Thus, there is little benefit to considering staying this matter until this record has been further developed."
