Counsel,

From the Board –

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Members of the Board,

Patent Owner Personalis seeks authorization to file a motion to expunge the underseal versions of Exhibits 1220, 1221, and 1222 pursuant to 37 C.F.R. § 42.56 from IPR2023-00224 and IPR2023-00317. These exhibits contain Patent Owner confidential information. The Board entered its Final Written Decisions on June 12, 2024, and confidential exhibits ordinarily become public after final judgment in an IPR. Accordingly, Patent Owner requests authorization to file a motion to expunge the sealed versions of Exhibits 1220, 1221, and 1222.

Counsel for Petitioner Foresight is included on this email. The parties have conferred. Petitioner does not oppose Patent Owner's motion.

Sincerely,
Nate
