Huckleberry Finn
Mark Twain

Welcome to WorldCat.org

Get started with WorldCat.org. In about two minutes, you can learn how to make a WorldCat.org profile, create and add items to lists, export citations, and use facets to narrow your search criteria. It's a quick way to introduce yourself to the basics of searching the world's largest collection of information about materials in libraries.

Use WorldCat.org for school research

Learn additional basic and advanced search techniques in this simple tutorial. We'll walk through how to get resources for a solar system report that a younger student (maybe working with a parent or teacher) might be assigned and provide tips for college students and more advanced researchers.

Genealogy

If you're interested in genealogy or family history, you're in the right place. Libraries and archives are often the only source for unique, local information about cemetery, burial, and military records; family Bibles, church, and town histories; indexes of births, marriages, and deaths; photographs, newspapers, microfilm; and so much more.
