

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ORACLE CORPORATION,
Petitioner,

v.

PARKING WORLD WIDE LLC,
Patent Owner.

IPR2023-00385
Patent 10,438,421

**PATENT OWNER'S REQUEST
FOR ORAL ARGUMENT**

Pursuant to 37 C.F.R. §42.70(a), and the Scheduling Order entered on July 19, 2023, (Paper No. 9), Patent Owner, Parking World Wide, LLC, hereinafter Parking World Wide respectfully requests oral argument as currently scheduled in IPR2023-00385PWW for April 17, 2024.

Parking World Wide further requests video conference format for the oral argument as the management of Parking World Wide is hard of hearing.

Alternatively should video conference format not be available, Parking World Wide further suggests the Detroit Regional Office or the Dallas Regional Office as the site of oral argument.

On or about the morning of March 1, 2024, Lead Counsel for Patent Owner emailed the Petitioner's Counsel to confer about this request. No reply thereto returned to Lead Counsel for Patent Owner from the Petitioner's Counsel.

Without intending to waive any issue not specifically identified, Parking World Wide identifies below the issues to be argued:

1. Whether Ivey, Matsumoto, Tillotson, Slemmer, Ward, and Haynes, are in the same field of endeavor or reasonably pertinent to the particular problem of the '421 patent as applied to Grounds 1-4 of the Petition, (Oracle Ex. 1005, 1007, 1011, 1010, 1008, 1009, respectively).

2. Whether efficiency is a performance characteristic preventing use of efficiency as a reason to combine Ivey, Matsumoto, Tillotson, Slemmer, Ward, and Haynes as applied to Grounds 1-4 of the Petition, Id. as to prior art, (Oracle Petition p. 51, 75, Oracle Reply p. 2, 3, 17, 18).

3. Any further response to Petitioner's presentation on all matters.

Parking World Wide requests thirty (30) minutes of time to address the issues including any time reserved for rebuttal arguments. Should the Petitioner be

granted more time, however, Parking World Wide requests an equal amount of time as Petitioner be allocated to Parking World Wide.

Parking World Wide reserves the right for rebuttal.

Should video conference format not be available, Parking World Wide also requests the ability to use computers at counsel's table and respectfully requests that the Board provide a projector with VGA and HDMI connections for that purpose.
