ORDER
Conduct of the Proceedings
37 C.F.R. § 42.5

On January 24, 2024, Petitioner contacted the Board, by electronic mail, requesting authorization to file a motion for the Board to order the appearance of Patent Owner's expert (Mr. Jonathan Teater) for re-cross examination, pursuant to 37 C.F.R. § 42.53(c)(2), as well as an extension of the current Due Date 2 (*see* Paper 29), in view of the timing of such re-cross examination.

Subsequently, also on January 24, 2024, Patent Owner contacted the Board, by electronic mail, opposing Petitioner's request.

On January 26, 2024, the Board held a telephone conference with the parties, wherein the Board ordered the parties to meet and confer, so as to determine a date and time for the re-cross examination of Mr. Teater, as well as any proposed revision to the schedule in the current proceeding.

On January 29, 2024, Petitioner contacted the Board, by electronic mail, stating that "the parties have corresponded, and Petitioner will conduct re-cross examination of Mr. Teater on February 6 starting at 6 p.m. (Eastern)." In addition, Petitioner provided "a revised schedule that takes into account the re-cross examination," stating that "Patent Owner has indicated that it will not object to this schedule if the Board is amenable to the extension."

The Board appreciates the parties' efforts in resolving their dispute and determines that the proposed modifications to the schedule (reflected below) are acceptable.

Accordingly, it is:

ORDERED that the Scheduling Order (Paper 15), as altered by a subsequent Order (Paper 24) and stipulation of the parties (Paper 29), is modified, as follows:

Due Date 2 is changed to February 13, 2024;

Due Date 3 is changed to March 26, 2024;

Due Date 5 is changed to April 2, 2024;

Due Date 6 is changed to April 9, 2024;

Due Date 7 is changed to April 16, 2024; and

Due Date 8 is changed to April 23, 2024.
