Hi Sam,

Topia does not oppose adoption of the Unified protective order or Petitioners' motion to seal.

Thanks,
Roman

Counsel,

With their preliminary replies, Petitioners intend to file under seal a copy of and content from the joint defense agreement between Box, Dropbox, Egnyte, and other defendants in the cases brought by Topia. In connection with these filings, could you please let us know by **noon ET tomorrow** whether Topia opposes adoption of the same protective order used for the Unified IPR proceedings (attached) or Petitioners' motion to seal?

Thanks and best regards,

Sam Whitt
