"It is such an honor to be chosen for this prestigious award recognizing the success of EagleView in the Big Data category," said Barrow. "I am truly passionate about this company and strive to be a disruptive innovator in the marketplace, particularly when it comes to data mining and delivering solutions derived from Big Data." Barrow has shaped EagleView from an aerial measurement company and guided it through a merger with Pictometry International Corp. in 2013 to become the industry leader in aerial imagery, data analytics and GIS solutions serving the commercial, government and public utility sectors. The company's massive image library covers 90 percent of the population in the U.S., with hundreds of millions of images dating back over the last decade.

Now in its 29th year, the EY Entrepreneur Of The Year program has honored the inspirational leadership of such entrepreneurs as Howard Schultz of Starbucks Coffee Company, Pierre Omidyar of eBay, Inc., and Mindy Grossman of HSN. Recent U.S. national winners include Reid Hoffman and Jeff Weiner of LinkedIn;
