Dear Honorable Board,

Petitioner notes that Appendices A and B to Petitioner's July 28th motion to submit supplemental information showed highlighting of new material rather than a redlined version showing the changes made to the original petition and expert declaration. Accordingly, Petitioner has prepared the attached revised Appendices A and B, which are redlined versions of the Supplemental Declaration and Supplemental Petition. Please confirm whether the Board would like Petitioner to refile the motion with these revised Appendices in redline form.

Respectfully submitted,

Eliot D. Williams
