U.S. Patent No. 8,812,227

Under 37 C.F.R. § 42.64(b)(1), Patent Owner Metrom Rail, LLC ("Patent Owner" and real party in interest) submits the following Objections to Petitioners' Corrected Supplemental Evidence that was served on Tuesday, August 1, 2023.

Exhibit	Objection
Ex. 1041 (Declaration of Steve Moore)	<p><i>Foundation:</i> The declaration is not based on personal knowledge, notwithstanding the statement in paragraph one. The declarant is outside counsel for one of the Petitioners, and does not set forth any basis for why the declarant would have personal knowledge of Petitioner Piper's business.</p> <p><i>Hearsay:</i> The declaration is implicitly (paragraph 2) or explicitly (paragraph 3) based on the statements of others to the declarant that are offered for their truth, and no hearsay exception applies. The names of the persons that provided the information are not given, no analysis is provided showing how the conclusion was reached, and no backup documentation for the cost of the employee search was provided. There is nothing in the declaration that would allow for any cross examination of the declarant or any of the anonymous employees with percipient knowledge whose statements are being offered for their truth but who did not provide declarations. Respectfully submitted,
