FEATURES AND BENEFITS

- **SUPERIOR DESIGN.** Matco Exclusive Patented Cobalt Hyper-Step set is made from the strongest material tough enough to drill through the hardest jobs like stainless, grade 8 fasteners, hardened alloys and cast irons

[View All Features and Benefits](#)Description Specifications Set Details **Reviews** 1 Return Policy ***Features And Benefits**

- **SUPERIOR DESIGN.** Matco Exclusive Patented Cobalt Hyper-Step set is made from the strongest material tough enough to drill through the hardest jobs like stainless, grade 8 fasteners, hardened alloys and cast irons
- **STUBBY LENGTH.** Stubby screw machine size which are 1/2 to 2/3 the length of traditional drill bits for increased drill bit rigidity and maximize tight space access
- **ELIMINATES THE NEED FOR PILOT HOLES.** Patented Hyper-Step design in large sizes eliminates the need for up to two pilot holes that traditional drill bits require
- **INNOVATIVE.** The multi-stepped tip acts like a step drill, allowing for laser like holes through sheet metal and prevents walking on curved surfaces
- **PREVENT FRACTURE.** The harder Cobalt drill bit material pairs perfectly with stubby bit lengths to prevent fracture during difficult cordless drilling jobs
- **ELIMINATES SLIPPAGE.** Three-flatted shanks on both sizes below 3/8" and on the 3/8" reduced shank sizes up to 1/2"
- **COMPREHENSIVE SET.** Contains 1/16" through 1/2" by 64ths cobalt stubby length Hyper-Step drill bits
- Lifetime warranty on bits 17/64" and larger
