- **SUPERIOR DESIGN.** Matco Exclusive Patented Cobalt Hyper-Step set is made from the strongest material tough enough to drill through the hardest jobs like stainless, grade 8 fasteners, hardened alloys and cast irons
- **MECHANIC'S LENGTH.** Approximately 75% the length of traditional drill bits for increased drill bit rigidity and improved tight space access
- **ELIMINATES THE NEED FOR PILOT HOLES.** Patented Hyper-Step design in large sizes eliminates the need for up to two pilot holes that traditional drill bits require
- **REDUCED SHANK.** Designed to fit both 3/8" and 1/2" drill chucks with three-flatted shanks on both sizes below 3/8" and on the 3/8" reduced shank sizes up to 1/2" to prevent slipping
- **INNOVATIVE.** The multi-stepped tip acts like a step drill, allowing for laser like holes through sheet metal and prevents walking on curved surfaces
- **COMPREHENSIVE SET.** Contains 1/16" through 1/2" by 64ths cobalt mechanic's length Hyper-Step drill bits
- Lifetime warranty on bits 17/64" and larger
