1 be video recordings. Depositions, as I mentioned during
2 preliminary instructions, are sworn testimony often taken of a
3 person who lives outside the jurisdiction of the Court or may
4 be unavailable for some reason. There are authorized reasons
5 for depositions.

6 What's going to be played to you is the deposition
7 of a witness who had been placed under oath. You should
8 consider that testimony the same as if the witness was
9 testifying here live.

10 Go right ahead and play it when you're ready.

11 (Video begins; no volume.)

12 THE COURT: Just pause and try to get the volume.

13 THE COURTROOM DEPUTY: Make sure the phone jack's
14 plugged in.

15 (Video deposition of Peter Hergesheimer played
16 1:16 p.m. to 2:54 p.m.)

17 THE COURT: Thank you very much.

18 Why don't we take an afternoon break now, if we're
19 done with that particular deposition, which I believe we are.
20 And when we come back, will there be a live witness or more
21 deposition testimony?

22 MR. SANTURRI: More deposition testimony,
23 Your Honor.

24 THE COURT: All right. So we'll take a break now
25 and then we'll come back. We'll be in recess for 15 minutes,
