**BEFORE THE PATENT TRIAL AND APPEAL BOARD**

---

MICROSOFT CORPORATION AND AFFIRMED NETWORKS, INC.,  
Petitioners,

v.

LEMKO CORPORATION,  
Patent Owner.

---

Case No. IPR2023-00529  
U.S. Patent No. 7,653,414

---

**JOINT STIPULATION TO MODIFY SCHEDULE**

Petitioner and Patent Owner (“Parties”) have conferred and have agreed to extend Due Dates 2-3 set forth in the Scheduling Order (Paper 12). Specifically, the Parties have agreed to the following extensions:

| Due Date                                 | Original Due Date | New Due Date   |
|------------------------------------------|-------------------|----------------|
| Due Date 2<br>(Petitioner’s Reply)       | March 14, 2024    | March 28, 2024 |
| Due Date 3<br>(Patent Owner’s Sur-Reply) | April 25, 2024    | May 9, 2024    |

This stipulation does not affect or otherwise modify the dates for DUE DATES 4–8. The Board authorized this stipulation in the Scheduling Order. Paper 12 at 8–9. The new due dates fall withing the authorized limits. *Id.* As further agreed by the Parties, Petitioners files this Notice on behalf of both Parties.

Dated: February 22, 2024

Respectfully submitted,

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                  |
