Dear Honorable Board:

I am counsel of record for Petitioner in the above-identified *inter partes* review proceeding. In accordance with the Board’s order (Paper 36), counsel for Petitioner and Patent Owner have conferred via email about whether any redactions are needed for Petitioner’s Reply brief or the deposition transcript of Patent owner’s expert (Dr. Todor Cooklev’s) (exhibit 1022). Patent Owner has confirmed that both documents may be filed publicly without redactions. With that, Petitioner requests permission from the Board to file public versions of its Reply brief and exhibit 2037 without any redactions or, alternatively, seeks guidance from the Board on how they would like Petitioner to file the public versions of its reply brief and corresponding exhibit.

Respectfully submitted,
Matt Hopkins
Counsel for Petitioner
