Your Honors,

I and backup counsel Aaron Frankel have a District Court trial scheduled to begin on June 17th which is likely to conflict with the June 27th oral hearing date for the above-referenced IPRs. In light of the trial and the July 4th holiday, we respectfully request that the oral hearing date be moved to July 11th. I have conferred with Petitioners and they take no position on our request to move the oral hearing date, but have confirmed that they are available on July 11th for the oral hearing. Thank you for your consideration.
