Hi Michael & Craig,

Please let me know if you still represent Old Quasar Science and/or its principals. If so, please let me know if you would accept service of a patent suit against Quasar Science LLC (old Quasar) and its principals, Steven Strong, Jay Yowler, Ray Gonzalez and Evans Brown. This would be for patent infringement of at least the '924 patent (U.S. Patent No. 9,845,924).

Thank you.

Sincerely,

David
