UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MASIMO CORPORATION
Petitioner,

v.

APPLE INC.
Patent Owner.

Case No. IPR2023-00664
U.S. Patent No. 11,106,352

PETITIONER CORRECTED CERTIFICATE OF SERVICE

Pursuant to instructions from the Patent Trial and Appeal Board, Petitioner Masimo Corporation hereby submits this corrected certificate of service. Petitioner intended to file and serve, and, thus, uploaded the Petition for *Inter Partes* Review, Power of Attorney, and Exhibits to the P-TACTS system, on Friday, March 3, 2023, with certificates of service reflecting the intended March 3, 2023 filing and service date. However, due to a P-TACTS technical problem processing the filing fee, P-TACTS did not allow the filing to be completed on March 3, 2023. Thus, Petitioner did not serve the documents on that date, intending to complete the filing with updated certificates of service and serve the documents on Monday, March 6, 2023. On March 6, 2023, however, the PTAB filed the documents Petitioner uploaded on March 3, 2023, before Petitioner had updated the certificates of service. Thus, Petitioner hereby files this consolidated and corrected certificate of service to reflect the actual filing and service date of these documents. These documents are identical to those Petitioner uploaded on March 3, 2023 and the PTAB filed on March 6, 2023.
