Counsel,

From the Board –

At this stage of IPR2023-00669 and IPR2023-00670, a *Sotera* stipulation may simplify the issues in each proceeding. Thus, the Board authorizes Petitioner to file a *Sotera* stipulation in each proceeding.

To the Honorable Board:

In IPRs2023-00669 and -00670 (US Patent No. 7,302,708), Petitioner Cisco Systems, Inc. requests leave to file the *Sotera* stipulation it made in the related litigation.

The parties have conferred. Patent Owner does oppose Petitioner's request because there are multiple defendants in the related litigation and they would not be bound by Cisco's stipulation.

Conference Call Availability

While the parties do not believe a conference call will be necessary, the parties are prepared to provide a list of mutually agreeable times if needed.

Sincerely,

Counsel for Petitioner Cisco Systems, Inc.
