Hi Darryl,
We will discuss with Dr. Rubin, and let you know by end of week whether we intend to consent or oppose. To help facilitate, could you please send us the tracking information you have on the Petition (i.e., when it was picked up and delivered?). James Denaro checked is PO Box yesterday (which receives FedEx's) and the Petition had not been delivered.
Thank you!
BR,
--Eric

Eric – Kahoot intends to move to stay this action pending the IPR filed last week. Judge Yeakel typically grants motions to stay under these circumstances. Please let us know if Rubin will agree to a stay or will oppose. We are available to discuss at your convenience.

Best,
Darryl
