*** you have to reboot from time to time to reset the sensors

Description

The Durovis Dive 5 is the original hands-free smartphone holder that allows you to get immersed into virtual reality. Made from high quality flexible nylon plastic, it is lightweight and comfortable. It's a bargain because you already have the expensive part of the system in your pocket – your mobile phone. Using a smartphone makes the dive easy to use and allows you to wirelessly play games or stream movies. The unique Durovis Dive Tracking Technology offers brilliant low-latency quality and a fully immersive experience. Durovis Dive 5 now ships with the **Magnet Upgrade Kit ([product.html?id=7](http://www.durovis.com/product.html?id=7))**.
