Case No. IPR2023-00712
Patent No. 8,840,635

PETITIONER'S MOTION TO SEAL

Petitioner LifeScan, Inc. (“Petitioner”) moves to seal its Motion to Exclude.

Petitioner’s Motion to Exclude discusses exhibits that were submitted under seal in this proceeding and should be filed under seal to maintain the confidential nature of the contents of those exhibits. Public disclosure of this confidential information would harm Petitioner because it would grant Petitioner’s competitors, potential competitors, and customers access to non-public and commercially sensitive information, which competitors could use in competition with Petitioner. For at least this reason, Petitioner’s motion to seal should be granted.
