Counsel,

From the Board –

The parties’ request to post the decision without the “non-public stamp” is granted. Due to internal procedures, we have changed the availability of the original Paper 73 as “Board and Parties only” and have entered a copy of the Final Written Decision without the stamp as a Notice.

Regards,

Esther Goldschlager

Your Honors,

The final written decision in this proceeding (Paper 73) includes a stamp of “Non-Public Version – Protective Order Material,” but it appears that was added in error as the decision was released publicly and both parties believe that the decision does not include confidential information.

Accordingly, Petitioner respectfully asks that the Board re-issue the decision without the non-public stamp. Patent Owner’s counsel (copied here) was consulted about this request and indicated that it does not oppose.

Respectfully submitted,

Alex Stein, Reg. No. 71,397
