Counsel,

The judge panel authorizes counsel to file the corrected exhibits in the above-referenced case. Once the corrected exhibits are filed, please reply-all to this email to advise the Board. The Board will expunge the originally-filed exhibits.

Subject: IPR2023-00726 -Substitution of Exhibits HIGHTLY CONFIDENTIAL - ATTORNEYS EYES ONLY

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Trials@uspto.gov,

I am Lead Counsel for Patent Owners in IPR2023-00726. Three exhibits that were filed last night (early this morning) had incorrect footers (indicating exhibit numbers).

I have attached:

Corrected Exhibit 2051;
Corrected Exhibit 2064; and
Corrected Exhibit 2065.

Please substitute the corrected exhibits for the exhibits as filed.

The corrected exhibits are identical to the originally submitted exhibits except that the correct exhibit number now appears on the document rather than an incorrect exhibit number.

Please note that as filed, access was designated as limited to the parties and the Board. Access to the corrected exhibits should also be so limited. A motion to seal is being filed later today.

If there is another procedure that you would prefer that I follow to accomplish this substitution I may be reached by cell phone or email as shown below.

I have consulted with Lead Counsel for Petitioner, David Conrad, and Petitioner consents to the requested substitution. Petitioner's counsel is copied on this email.

Thank you for your assistance.

Respectfully,

Mark
