Milestones

Choose a Milestone

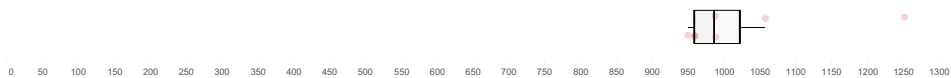

Trials

Milestone Subcategories

- ☒ Bench Trial
- ☒ Jury Trial

Time to Trials in the Lee Yeakel

Median: 959.0 days
Mean: 1,021 days

The chart displays the number of days from the case filing date to Trials. After applying all relevant filters, cases shown in this chart were filed from 2014 to 2022. The stripe in the middle of the box plot represents the median, while the "Upper Hinge" and "Lower Hinge" (the "sides" of the box) are roughly equivalent to the 25th and 75th percentiles.

Motion Pendency

None

Time to None

Median: None days
Mean: None days

The chart displays the number of days from motion filing to the selected milestones is None. The stripe in the middle of the box plot represents the median, while the "Upper Hinge" and "Lower Hinge" (the "sides" of the box) are roughly equivalent to the 25th and 75th percentiles. After applying all relevant filters, cases displayed in this chart were filed from None. The median number of days from motion filing to the selected milestones is None.
