

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

UBER TECHNOLOGIES, INC.,

Petitioner,

v.

SURGETECH LLC,

Patent Owner.

Case IPR2023-00736
Patent No. 11,334,598

JOINT PROPOSED STIPULATION

Pursuant to the Board's email of May 9, 2023, Petitioner Uber Technologies, Inc. ("Petitioner") and Patent Owner Surgetech LLC ("Patent Owner") (collectively, "the parties") jointly file and respectfully request that the Board issue an order entering the following proposed stipulation with respect to this proceeding, IPR2023-00736, and the parallel proceeding, IPR2023-00735:

- 1) The parties jointly request that the Board grant Petitioner's unopposed Motion to Waive Word Count (Paper 5) in IPR2023-00735.
- 2) Upon the granting of Petitioner's unopposed Motion to Waive Word Count in IPR2023-00735, the parties jointly request that the Board expunge the "abbreviated version" of the Petition (Paper 3) in IPR2023-00735.
- 3) To the extent Patent Owner files a Preliminary Response in IPR2023-00735 pursuant to 37 C.F.R. § 42.107, the parties jointly request that Patent Owner's Preliminary Response be given a word count limit of 15,014 words (an increase of 1,014 words).
- 4) If the Board institutes *inter partes* review of IPR2023-00735, the parties jointly request that Patent Owner's Response pursuant to 37 C.F.R. § 42.120 be given a word count limit of 15,014 words (an increase of 1,014 words).

5) If Patent Owner's Response in IPR2023-00735 exceeds 14,000 words (the default word count limit under 37 C.F.R. § 42.24(b)(2)), the parties jointly request that Petitioner's Reply and Patent Owner's Surreply each be given a word count limit of 6,003 words (an increase of 403 words). For the avoidance of doubt, if Patent Owner's Response **does not** exceed 14,000 words, the parties intend that Petitioner's Reply and Patent Owner's Surreply have the default word count limit of 5,600 words.

In view of the above proposed stipulation, once authorized, the parties will also file a Joint Motion to Dismiss Petition and Terminate *Inter Parties* Review Proceeding in this proceeding, IPR2023-00736.

Date: May 15, 2023
