Dear Honorable Board:

Pursuant to 37 CFR 42.123(b), Petitioners request authorization in the above-identified matter to file a motion to submit supplemental information. Petitioners seek to submit Patent Owner's appeal brief filed on June 6, 2024, in Federal Circuit Appeal No. 24-1345 of the Final Written Decision issued in IPR No. 2022-00976 (finding all challenged claims of related patent U.S. 9,892,386 unpatentable). Petitioners have not had an opportunity to address the appeal brief in this proceeding, as it was filed after the April 4, 2024, due date for Petitioners' reply. Consideration of the appeal brief is in the interest of justice because Patent Owner makes statements on, inter alia, the meaning of the term "unbanked subscriber" that are relevant to issues in this proceeding.

Petitioners have informed Patent Owner of its intent to request authorization to file the motion. Patent Owner has indicated it will take a position after seeing Petitioners' motion. The parties are available for a telephone conference with the Board on the following dates, if the Board determines a call is necessary: Tuesday June 25 from 1-5 PM ET, Wednesday June 26 from 1-5 PM ET, and Thursday June 27 from 1-5 PM ET.

Respectfully submitted,

Christopher T. Gresalfi
