Little things amuse me. I found these liquid marbles at the Dollar Tree. They are too neat! So I'm just being silly here. No fancy edits or art etc with this one.

Yeah, and as they dehydrate they shrink so there are lots of different size marbles now and I keep poking the small ones down so they will "grow!" LOL

That is our plan, we bought two more containers of them and a package of food coloring to do just that, play with them! LOL :D
