

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ADVANCED MICRO DEVICES, INC.,
Petitioner,

v.

REALTEK SEMICONDUCTOR CORPORATION,
Patent Owner.

IPR2023-00788
U.S. PATENT NO. 9,590,582

JOINT MOTION TO TERMINATE PROCEEDING

Pursuant to 37 C.F.R § 42.74 and the authorization provided by the Board on June 20, 2024, Petitioner Advanced Micro Devices, Inc. and Patent Owner Realtek Semiconductor Corporation, by and through their respective counsel of record, jointly request termination of this proceeding, IPR2023-00788, directed to U.S. Patent No. 9,590,582 (“the 582 patent”).

Petitioner and Patent Owner have settled their dispute regarding the 582 patent, including this proceeding and Patent Owner’s assertion of the 582 patent in the related International Trade Commission and district court litigation against Petitioner: *Certain Integrated Circuits, Components Thereof, and Products Containing Same*, Inv. No. 337-TA-1350 (U.S.I.T.C.); and *Realtek Semiconductor Corp. v. Advanced Micro Devices, Inc.*, Case No. 4:22-cv-04769-JSW (N.D. Cal.). The parties do not anticipate further litigation between them concerning the 582 patent.

Good cause exists to terminate this proceeding because the parties have settled their dispute regarding the 582 patent and the proceeding is still ongoing with significant work still to be done, including Patent Owner’s Sur-Reply, possible motions to exclude, preparation for and participation in the oral argument, and the Board’s preparation of the Final Written Decision. Terminating the proceeding now would thus serve the interests of judicial economy as well as the mutual interest of the parties.

A true and correct copy of the parties' settlement agreement will be filed as Exhibit 1052, along with a joint motion to treat the settlement agreement as business confidential information. Pursuant to 35 U.S.C. § 317(b), the parties hereby certify that there are no collateral agreements or understandings made in connection with, or in contemplation of, the termination of the proceedings beyond the settlement agreement in Exhibit 1052.

Date: June 21, 2024

Respectfully submitted,

/s/ Brian E. Ferguson
