Dear Members of the Board:

On September 6, 2023 Patent Owner, through Patent Owner's undersigned Counsel, filed a Patent Owner's Preliminary Response ("POPR") in the above-identified IPR.

In the POPR, it was stated that a reexamination has been filed or will shortly be filed.

However, Patent Owner recently decided not to file a Reexamination Request, at least at this time. In view of this updated position, Patent Owner would like to inquire as to whether the Board would like for Patent Owner to refile an updated POPR to address the reexamination issue, or is this notice sufficient to correct the record?

Thank you for your attention to this matter.

Kind regards,

Counsel for Patent Owner Pilot, Inc.
