Sarah,

WAG does not intend to oppose Netflix's joinder motion to Google's '594 IPR.

Best regards,
Alex

Alex,

Following up with you from our discussion and emails of the last two weeks.

Obviously the case is now stayed, so there is no need for a stipulation. However, we would still like to know whether WAG intends to oppose our joinder motion to Google's '594 IPR. Can you please advise as soon as possible because we plan on getting that motion on file soon.

Thanks.
Sarah
