

Lack of Evidence that Raytracker GC Spec Sheet (EX1007) Has Ever Been Archived

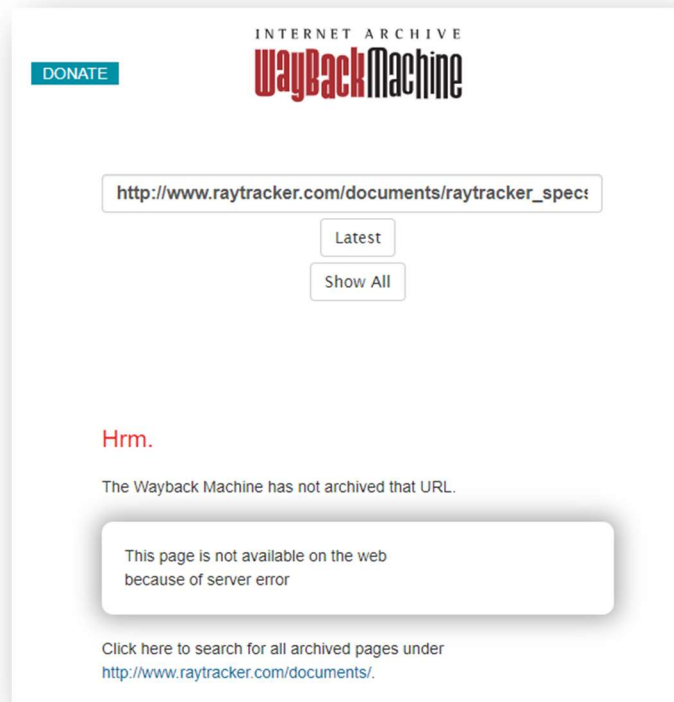

Step 1: On the WayBack Machine, navigate to the address shown in EX1010 at 9:

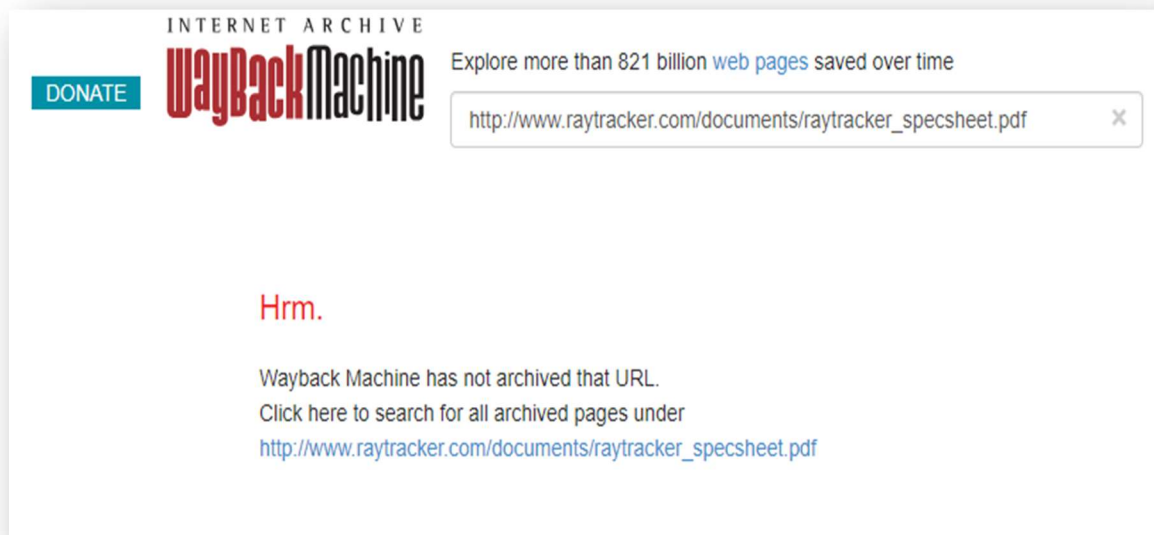

Step 2: Go to the hyperlinked “Raytracker GC Spec Sheet” at the lower right corner of that page, and click on it:

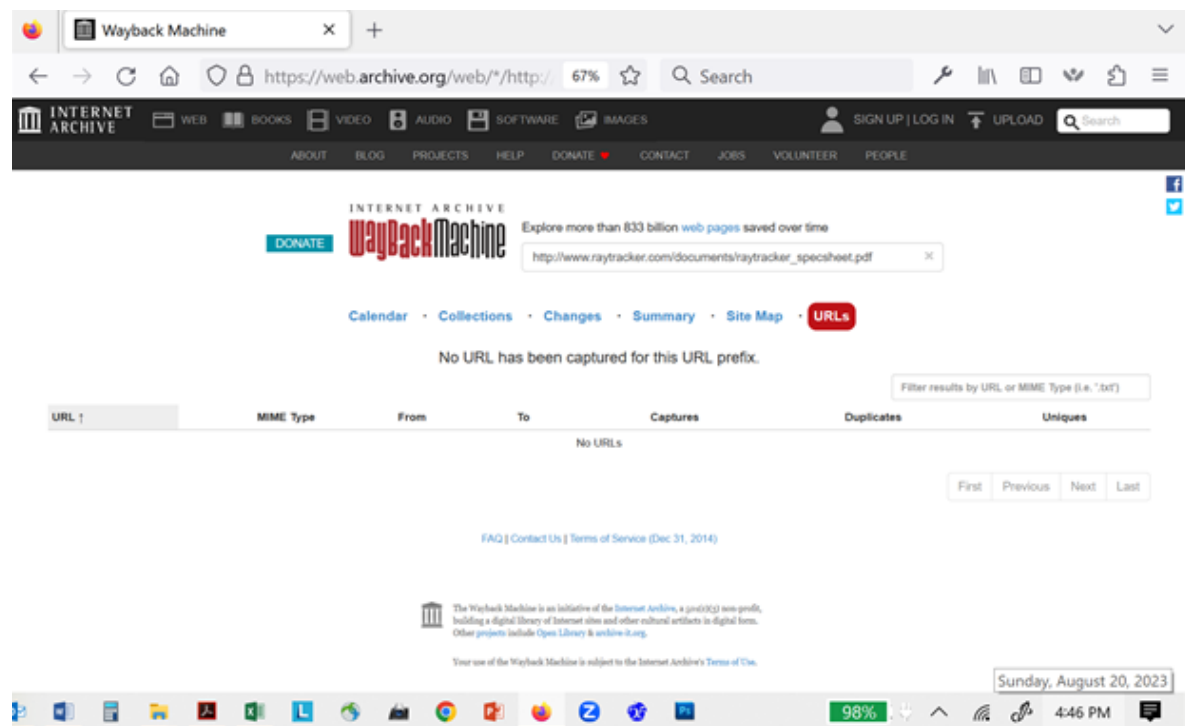

Step 3: Observe the results:

Step 4: Click on the “Show All” button in the upper center, to be certain it’s not just the most recent iteration of the brochure that is not archived. Observe the result:

Step 5. Click on suggested further link, to be sure no copy has ever been archived. Observe results.

Blow-up of result, showing "No URL has been captured for this URL prefix:"
