

Translation Certificate

I, Robert Morrison, of Transperfect Translations, Inc., performed the attached English translation of the original Korean document, **Korean Registered Design No. 300645410**. I hold a Bachelor of Science Degree in Management and have been engaged as a professional Korean to English patent translator since 2009. I hereby certify that, to the best of my knowledge and ability, the attached English translation accurately reflects the content, meaning, and style of the original Korean document identified above and constitutes a true, accurate, and complete translation of that document.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

(73) Design promotor
LG Electronics Co., Ltd.
 128, Yeouido Blvd. (Yeouido Dong), Yeongdeungpo District, Seoul Metropolitan City

(72) Creator
Seong Ho LEE
 No. 104, Building 102, Samik Apartments, Sinal Dong, Giheung District, Yongin City, Gyeonggi Province

(74) Agent
Park Jang Won

Examiner in charge: Yoo Young Mok

(54) Name: **Mobile Phone Charger**

3-dimensional design drawing

An Article subject of the design

Charger for a mobile phone

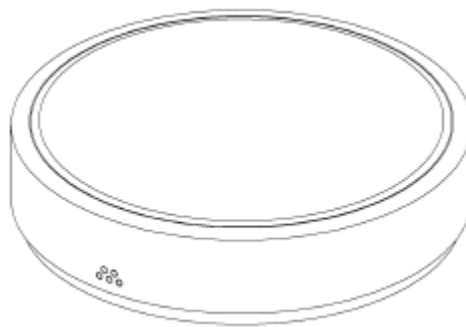

Description of the design

1. Materials used are metal and synthetic resin
2. It is a contactless charger using a USB terminal at the back.

Key points of design creation

Both the form and shape of the mobile phone charger are the main points of the design creation.
