Dear Honorable Board,

The underlying litigations involving the challenged patents have been settled, in principle, between Samsung and Daedalus. Accordingly, Samsung no longer seeks to pursue IPR2023-00562, -00563, -00841, and -00868. To prevent the parties from expending further resources while the settlement is being finalized, Samsung asks for a pause of all POPR deadlines for 30 days to allow Samsung and Daedalus to finalize their agreement.

Institution decisions are due by:

- Samsung v. Daedalus, IPR2023-00562 --- DI 9/18/2023
- Samsung v. Daedalus, IPR2023-00563 --- DI 9/18/2023
- Samsung v. Daedalus, IPR2023-00841 --- DI 11/1/2023 (estimated, notice of filing date not yet on file)
- Samsung v. Daedalus, IPR2023-00868 --- DI 11/1/2023 (estimated, notice of filing date not yet on file)

Patent Owner Daedalus does not oppose these requests.

Respectfully submitted,

Naveen Modi

Counsel for Petitioner, Samsung
