ASSAULTRUNNER ELITE

ASSAULTRUNNER PRO

$2,999

The AssaultRunner Pro is designed to help you meet and exceed your fitness goals. While other motorized treads make it easy to "zone out," the AssaultRunner Pro constantly demands your full attention and requires nothing less than 100% effort. It's also equipped with built-in training programs to help keep your workouts fresh and track your progress.

A division of LifeCORE Fitness, Assault Fitness Products has been a leader in developing equipment for the elite fitness world for over 20 years. Forged in the belief that traditional fitness equipment did not offer the durability and strength necessary for true athletic use, all Assault products are designed to take a beating and be easy to maintain. Based in sunny Southern California, Assault is a company of nice people making hardworking fitness equipment to help you achieve your utmost fitness goals.
