Dear Honorable Board,

Petitioner received the POPR in IPR2023-00850 on September 14, 2023. Petitioner seeks leave to file a 5-page preliminary reply to respond to Patent Owner's arguments and characterizations regarding the claim construction of "preconfigured geographical zone."

Patent Owner is copied on this request and opposes it. The parties are available on Tuesday 9/19 and Wednesday 9/20 for a conference call, should one be necessary.

Thank you,
Amy
