Dear Honorable Board,

Petitioner today filed its reply in the above captioned IPR. Paper 13 was filed in error (inadvertently omitting a word count certification). Petitioner has now filed Paper 14, its corrected reply, including the required word count certification. There is no other difference between Papers 13 and 14. Petitioner requests that Paper 13 be expunged from the record, since it is duplicative of Paper 14, but for the added word count certification.

Counsel for Patent Owner is copied on this email.

Thank you,
Ben Haber
Counsel for Petitioner Google
