Re: Professor Masahiro Iida v. Intel Corp., No. 1:23-cv-00899 (W.D. Tex.)

Dear Josh:

I write to inform you that Petitioner Intel Corporation hereby stipulates that, if the Patent Trial and Appeal Board institutes an *inter partes* review (“IPR”) proceeding for U.S. Patent No. 6,812,737 on the grounds presented in Intel’s Petition in IPR2023-00864, Intel will not pursue an invalidity defense in the above-referenced district court litigation that the patent claims subject to the instituted IPR are invalid based on grounds that were raised or reasonably could have been raised during the IPR.

Best regards,

Heather E. Takahashi
