Subject: IPR2023-00889 - additional page request for Request for Rehearing

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear PTAB:

Patent Owner in the above-identified IPR respectfully requests authorization to file a Request for Rehearing that is no more than 20 pages in length. This request of up to five (5) additional pages would help Patent Owner respond to issues raised in the 124-page Final Written Decision, and the 77-page trial transcript, to which the Final Written Description cites throughout. Petitioner has indicated that it does not oppose this request.

The Board is thanked for considering this request.

Respectfully submitted,
/Jonathan Roberts/
Counsel for Patent Owner
