Unified added 4 new PATROLL

(<https://patroll.unifiedpatents.com/contests>) contests, with a \$2,000 cash prize for each, seeking prior art on the list below. The patents are owned by VideoLabs, Inc.

(<https://www.videolabsinc.com>) The patents generally relate to digital media content and some have been asserted against Netflix (<https://www.netflix.com>), Amazon (<https://www.amazon.com>), Roku (<https://www.roku.com>), HP, Inc. (<https://www.hp.com>), and ASUSTek (<https://www.asustek.com>). The contests will end on December 31, 2023. Please visit PATROLL (<https://patroll.unifiedpatents.com/contests>) for more information or click on each link below.

We also have third-party prior art providers giving our researchers a head start in the hunt! Click on each of the contests to find more from IPscreeener (<https://ipscreener.com/>) and Google Patent Analytics (<https://patents.google.com/>).
