Dear Honorable Board,

As counsel for Patent Owner in Case No. IPR2023-00894, I am writing to respectfully request authorization to file a corrected Motion to Amend. Petitioner identified a minor typographical error on page 7 of the Patent Owner's Motion to Amend whereby substitute Claim 16 inadvertently contains the same limitation twice. In order to have a clean record for the Board, the parties determined that the best course of action would be for Patent Owner to submit a corrected Motion to Amend to correct the typographical error.

Petitioner does not oppose this request and Counsel for Petitioner is copied on this email.

Respectfully submitted,
