

WHAT IS A STANDARDS TECHNICAL PANEL?

A Standards Technical Panel (STP) is a group of individuals representing a variety of interests, that serves as the consensus body that develops new standards and reviews proposed changes to UL standards.

The interest categories for a UL STP are:

- Authority Having Jurisdiction (AHJ)
- Commercial/Industrial User
- Consumer
- General Interest
- Government
- Producer
- Supply Chain
- Testing & Standards Organization

LET YOUR VOICE BE HEARD IN THE UL STANDARDS DEVELOPMENT PROCESS!
