Hello counsel,

As explained on the Revised Interim Director Review Process webpage, a party may request Director Review by “(1) filing a Request for Rehearing by the Director in the Patent Trial and Appeal Case Tracking System (P-TACTS); and (2) emailing the Director at Director_PTABDecision_Review@uspto.gov, copying counsel for all parties to the proceeding. A Director Review request is not perfected until both submissions are made.” See <https://www.uspto.gov/patents/ptab/decisions/revised-interim-director-review-process> at Section 3.A.
