ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5(a)

I. DISCUSSION

The Board entered an Order Granting the Parties' Requests for Oral Argument and set oral arguments for September 12, 2024. Paper 21, 2. After entry of that Order, the parties jointly notified the Board by e-mail that they had reached an agreement in principle to settle their disputes. Ex. 3001, 1. The parties also requested a telephone conference with the Board to discuss postponement of oral arguments, a stay of this and related proceedings, and the timing of a joint motion to terminate and submission of a written settlement agreement. Ex. 3001, 1.

The Board conducted a telephone conference with the parties and a transcript of the telephone conference is in the record. Ex. 1042. During the telephone conference, the parties represented their intention to complete a settlement agreement by September 13, 2024, and to file motions to terminate this and related proceedings during the week of September 16 through September 20, 2024. Ex. 1042, 5:5–24. The Board stated that it will not stay the proceedings, but, based on the parties' representations, the Board agreed to take the oral arguments off calendar and instructed the parties to keep the Board informed regarding the progress and timing of the parties' settlement and proposed motions to terminate. Ex. 1042, 6:5–14, 6:22–7:3. The Board also authorized the parties to file a joint motion to terminate along with copies of any settlement agreements and, if necessary, a request to treat as business confidential information and to keep separate any settlement agreements containing business confidential information. Ex. 1042, 6:15–21

II. ORDER

Accordingly, it is:

ORDERED that oral arguments scheduled for September 12, 2024, are postponed;

FURTHER ORDERED that the parties are authorized to file a joint motion to terminate along with copies of any settlement agreements and a request to treat as business confidential information and keep separate any settlement agreements that contain business confidential information; and

FURTHER ORDERED that the parties are instructed to update the Board by e-mail regarding the status and timing of a joint motion to terminate by Friday, September 13, 2024, and to continue to update the Board each Friday thereafter until the parties file a joint motion to terminate.
