Dear Honorable Board:

Petitioners write to seek the Board’s approval to replace Exhibit 2008 currently of record with the proposed attached version. The only difference in the proposed attached version is the last page contains the executed errata of the deponent, Dr. Chandrajit Bajaj, which was not available at the time of Patent Owner’s filing of its Sur-Reply on July 24, 2024. The errata corrects for a few transcription and typographical errors. Petitioners have reached out to Patent Owner, and Patent Owner has indicated it does not oppose. Petitioners respectfully request permission from the Board to replace Exhibit 2008 currently of record with the proposed attached version.

Respectfully,

IPR2023-00924
