Subject: Authorization to file Sotera stipulation in the IPR2023-00935 and IPR2023-00936

Your Honors,

Petitioner served Sotera stipulations on Patent Owner in both the IPR2023-00935 and -00936 proceedings. The stipulations (sent in a single email) are attached. Petitioner asks the Board for authorization to file the stipulations in each of the identified proceedings for the panel's consideration on the issue of Fintiv. Because the stipulations are Sotera stipulations, we do not believe briefing is necessary. Patent Owner opposes the filing, and asserts the petitions are ambiguous. To the extent Patent Owner seeks briefing on the stipulations, Petitioner requests a commensurate brief.

Should the panel want a teleconference on either matter, the parties are available Wednesday, November 1, 2:00 ET onward or Thursday, November 2, 11:30-2:30 ET. Further days/times can be provided upon request.

Best regards,

Joshua Griswold
